ROAD CONSTRUCTION UPDATE

For Immediate Release: Wednesday, August 23, 2023

County Roads to be Sealed

The Logan County Engineer's Office announces that Pavement Technology, Inc. will be applying reclamite surface treatment to the following County and Township Roads:

**County Road 29; County Road 119; County Road 120;
County Road 125; County Road 270; Township Road 46**

Tentative starting date is Wednesday, August 30, 2023, work will be completed by Saturday September 02, 2023, weather permitting.

These roads will be under construction between the hours of 7:00 A.M. and 5:00 P.M. each day. Sections of the roadways will be closed to all but local traffic as the work progresses.

Residents are asked to use the alternate routes and use caution when traveling through these work areas.

The product is designed to seal the surface extending the life of the new pavement.

We appreciate your cooperation during the construction and we apologize for any inconvenience.
