Re: **Liquid Bituminous and Asphalt Mix Bids
2020 Construction Season**

APPROVED BY THE BOARD OF
LOGAN COUNTY COMMISSIONERS

MOTION JA
2ND PB
PER RESOLUTION# 70-20
DATED 3/12/2020

Gentlemen:

I have reviewed the bids received on March 10, 2020, for the above captioned materials shown on our bid specifications. Attached is a tabulation of the bids received by your honorable board. I offer the following comments concerning the bids:

1. Asphalt Materials is low bidder on MWS-9, HFRS-2P, Fog Seal (QF-40 or Equal), and HPM Cold Mix.
2. K-Tech Specialty Coatings was not low on any items.
3. Terry Asphalt Materials was not low on any items.
4. Shelly Materials is low bidder on 301, 448-T1 and 448-T2 Hot Mix.

In view of the above, I recommend that your honorable board accept all of the bids, authorizing us to buy from the lowest bidder for each grade of the material, and to purchase product from an alternate bidder, if the low bidder is unable to supply us with material on any given day and time. This will allow us flexibility, depending on material and aggregate to be used on various projects.

These materials will be purchased from Auto and Gas Funds.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. All companies that bid were not listed and we have retained the certified search confirmation page in the project file.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.
Logan County Engineer
