Gentlemen:

We have reviewed the bids for premium ultra low sulfur diesel fuel. The bid appears to be in order meeting all specifications. The bids were as follows:

| Company | Price per Gal. Reg. Diesel | Price per Gal. B5 | Meets Specs. |
|--------------------------|-------------------------------|----------------------|--------------|
| Sunrise Cooperative Inc. | \$ 3.9875 | No Bid | YES |

Therefore, I am recommending that your honorable board adopt a resolution awarding the bid to Sunrise Cooperative, Inc., 2025 W. State Street, P.O. Box 870, Fremont, Ohio 43420 for the firm bid price of \$3.9875 per gallon.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. Sunrise Cooperative, Inc. was not listed and we have retained the certified search confirmation pages in the project file.

This will be paid from Auto and Gas Funds.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.
