**Re: Concrete Products Bids for 2019
January 24, 2019 at 10:00 A.M.**

Gentlemen:

Attached is a tabulation of bids received by your honorable board on January 24, 2019 for concrete products to be used by the Highway and Bridge Departments during 2019.

Due to the small differential in cost and the location of the bidder's plants, I recommend that your honorable board adopt a resolution authorizing our department to purchase necessary products from each of the suppliers based upon cost, length of haul to job site and availability of material at the time of project requirement.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. None of the bidders were listed and we have retained the certified search confirmation pages in the project file.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.
Logan County Engineer
