**Re: Concrete Products Bids for 2022  
January 20, 2021 at 10:00 A.M.**

Gentlemen:

Attached is a tabulation of bids received by your honorable board on January 19, 2021 for concrete products to be used by the Highway and Bridge Departments during 2021.

I recommend that your honorable board adopt a resolution authorizing our department to purchase necessary products from suppliers based upon cost, length of haul to job site and availability of material at the time of project requirement.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. None of the bidders were listed and we have retained the certified search confirmation pages in the project file.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.  
Logan County Engineer
