ROAD CONSTRUCTION NOTICE – SEEKING PUBLIC COMMENTS

For Immediate Release: Friday September 30, 2022

Seeking public comments for proposed County Road 18 (in Liberty Township) profile improvement

The Logan County Engineer's Office announces that we're planning on performing a profile improvement project on County Road 18 with said project beginning approximately 1,000-feet to the south of Township Road 200 and terminating just south of Township Road 200.

It's estimated that this section of road will be closed to all traffic for a maximum of 30 days sometime between July 1, 2023, and September 1, 2023. The intersection of County Road 18 and Township Road 200 will remain open. The Logan County Engineer's Office will post detour signage using County Road 43, County Road 31 and County Road 11.

We are seeking comments from local emergency services, schools, and public transportation services regarding this project. We request comments be sent by October 31, 2022.

Please mail comments to: The Office of the Logan County Engineer
