Road Construction Notice

For Immediate Release: September 1, 2021

County Road 28 in Monroe and Jefferson Townships to Close for Resurfacing

The Shelly Company is scheduled to resurface CR 28 between the Champaign County Line and US Route 33. The work is scheduled to begin Tuesday, September 7, 2021 and continue through Tuesday September 13, 2021, weather permitting.

County Road 28 will be under construction each day between the hours of 7:00 A.M. and 5:00 P.M., but will remain open to emergency vehicles and local traffic only (no thru traffic). Please plan alternative routing.

When traveling through the work area, we ask that you please use caution as there are unmarked no passing zones and drop-offs along the edge of the road.

Butt joints are cut at intersections and bridges prior to paving. These butt joints create a bump in the roadway, please slow down accordingly (15mph or less)

We apologize for any inconvenience.
