## FOR IMMEDIATE RELEASE

**Date:** Wednesday, July 16, 2025

### Road Construction: County Roads to Undergo Chip Sealing

The Logan County Engineer's Office announces that county forces will be chip sealing the below roads beginning **Thursday, July 17, 2025, at 7:00 a.m. through 5:00 p.m.** and **Monday, July 21, 2025, at 7:00 a.m. through 5:00 p.m.**, weather permitting. There will be no overnight closures.

**During these operations, emergency and local traffic will be maintained using flagging personnel. No thru traffic will be permitted. Motorists should anticipate delays and are encouraged to plan alternate routes.**

When traveling through these work areas, we ask all drivers to **slow down and use extra caution.** You will encounter loose stone for a few days, and please note that these areas will have **unmarked no-passing zones until fall.**

For optimal safety and to help the chip seal cure effectively, motorists are encouraged to travel a maximum of 20 mph on the first day the chip seal has been applied and to travel a maximum of 30 mph for at least seven days after the chip seal has been applied.

#### ***Roads Scheduled for Chip Seal:***

<b>Roads Name</b>	<b>From / To</b>	<b>Date(s)</b>
County Road 66	Quincy City Limits to Champaign County Line	07/17/2025
County Road 65	State Route 508 to DeGraff Corporation	07/21/2025

Please remember that all scheduling is subject to weather conditions. We appreciate your understanding and cooperation as we work to improve our roads, and we apologize for any inconvenience this may cause.
