FOR IMMEDIATE RELEASE

Date: Wednesday, July 23, 2025

Road Construction: Closed for Fog Sealing Sections of County Road 10 in Jefferson Twp.

The Logan County Engineer's Office announces that county forces will be fog sealing the below roads beginning **Wednesday, July 30, 2025, at 7:00 a.m. through 5:00 p.m.** weather permitting. There will be no overnight closures.

During these operations, emergency and local traffic will be maintained using flagging personnel. No thru traffic will be permitted. Motorists should anticipate delays and are encouraged to plan alternate routes.

When traveling through these work areas, we ask all drivers to **slow down and use extra caution.** You will encounter fog seal for a few days, and please note that these areas will have **unmarked no-passing zones until fall.**

For optimal safety and to help the fog seal cure effectively, motorists are encouraged to travel a maximum of 20 mph on the first day the chip seal has been applied and to travel a maximum of 30 mph for at least seven days after the chip seal has been applied.

Roads Scheduled for Fog Seal:

Roads Name	From / To	Date(s)
County Road 10	US 33 to Zanesfield Corp.	07/30/2025
County Road 10	CR 55 to US 33	07/30/2025

Please remember that all scheduling is subject to weather conditions. We appreciate your understanding and cooperation as we work to improve our roads, and we apologize for any inconvenience this may cause.
