FOR IMMEDIATE RELEASE

Date: Tuesday, August 5, 2025

Road Construction: County Roads to Undergo Fog Sealing

The Logan County Engineer's Office announces that county forces will be fog sealing the below roads beginning **Wednesday, August 6, 2025, at 7:00 a.m. through 5:00 p.m.** and **Thursday, August 7, 2025, at 7:00 a.m. through 5:00 p.m.**, weather permitting. There will be no overnight closures.

During these operations, emergency and local traffic will be maintained using flagging personnel. No thru traffic will be permitted. Motorists should anticipate delays and are encouraged to plan alternate routes.

When traveling through these work areas, we ask all drivers to **slow down and use extra caution**. You will encounter fog seal for a few days, and please note that these areas will have **unmarked no-passing zones until fall**.

For optimal safety and to help the fog seal cure effectively, motorists are encouraged to travel a maximum of 20 mph on the first day the chip seal has been applied and to travel a maximum of 30 mph for at least seven days after the chip seal has been applied.

Roads Scheduled for Fog Seal:

Roads Name	From / To	Date(s)
CLOSED TO ALL TRAFFIC FROM 8 a.m. to 1 p.m.		
County Road 60	Shelby Co Line to CR 54	08/6/2025
TRAFFIC WILL BE MAINTAINED USING FLAGGERS		
County Road 66	Quincy Village Limits to Champaign Co Line	08/06-07/2025
County Road 65	DeGraff Village Limits to Champaign Co Line	08/07/2025

Please remember that all scheduling is subject to weather conditions. We appreciate your understanding and cooperation as we work to improve our roads, and we apologize for any inconvenience this may cause.
