LOGAN COUNTY ENGINEER'S OFFICE

ROAD CONSTRUCTION UPDATE

For Immediate Release: Wednesday, August 19, 2026

County Roads to be Sealed

The Logan County Engineer's Office announces that Pavement Technology, Inc. will be applying Reclamite surface treatment to the following County Roads:

**County Road 118, County Road 1142, County Road 235,
County Road 235A**

Tentative starting date is Saturday, August 22, 2026, weather permitting.

These roads will be under construction between the hours of 7:00 A.M. and 5:00 P.M. each day. Sections of the roadways will be closed to all but local traffic as the work progresses.

Residents are asked to use the alternate routes and use caution when traveling through these work areas.

The product is designed to seal the surface extending the life of the new pavement.

We appreciate your cooperation during the construction and we apologize for any inconvenience.

Said updates can be viewed on an interactive map on our web site at: www.lceo.us by clicking on "Construction Updates."
