**Re: Concrete Products Bids for 2026
January 27, 2026 at 10:00 A.M.**

Gentlemen:

Attached is a tabulation of bids received by your honorable board on January 27, 2026 for concrete products to be used by the Highway and Bridge Departments during 2026.

Due to the small differential in cost and the common challenge of receiving concrete deliveries to coincide with our time sensitive project schedules, I recommend that your honorable board adopt a resolution authorizing our department to purchase necessary products from suppliers based upon cost, length of haul to job site and availability of material at the time of project requirement.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. None of the bidders were listed and we have retained the certified search confirmation pages in the project file.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.
Logan County Engineer
