**Re: Liquid Bituminous and Asphalt Mix Bids
2026 Construction Season**

Gentlemen:

I have reviewed the bids received on January 27, 2026, for the above captioned materials shown on our bid specifications. Attached is a tabulation of the bids received by your honorable board. I offer the following comments concerning the bids:

1. K-Tech Specialty Coatings was the low bidder for HFRS-2P but failed to submit a JMF, Bid Bond, or Certified check for 5% with their unit price bid form as stated on page two (2) of the Notice for Bids deeming their bid non-responsive. This leaves Asphalt Materials as the low bidder for HFRS-2P and for Fog Seal (QF-40 or Equal), and the only bidder for HFMS-2 and RS-2.
2. Marathon Petroleum Co. was not the low bidder on any single item.
3. Shelly Materials is low bidder on 301, 448-T1 and 448-T2 Hot Mix.
4. Hei-Way LLC was the low and only bidder for HPM Cold mix with a 23-ton minimum order.

In view of the above, I recommend that your honorable board accept all of the bids, authorizing us to buy from the lowest bidder for each grade of the material, and to purchase product from an alternate bidder, if the low bidder is unable to supply us with material on any given quantity, day, and time. This will allow us flexibility, depending on material and aggregate to be used on various projects.

These materials will be purchased from Auto and Gas Funds.

In accordance with ORC 9.24, we have checked the Auditor of State's Unresolved Findings for Recovery Database and the federal system for awards management. All companies that bid were not listed and we have retained the certified search confirmation page in the project file.

Respectfully submitted,

Scott C. Coleman, P.E., P.S.
Logan County Engineer
