

Logan County Engineer's Office Job Announcement: Technician Trainee

Salary Range: \$18 per hour without CDL | \$22 per hour with Class A or B CDL

Status: Full-Time / Entry-Level

Posted: 1/16/2026

Closing Date: Until Filled

Job Overview

Are you looking for a stable career with a work-life balance where you can work outdoors and serve your community? As a Technician Trainee for the Logan County Engineer's Office, you will contribute to the safety and efficiency of our roadways, bridges, and ditches. This is an entry-level position where you will learn skilled trades—from equipment operation to construction—supporting county maintenance and repair projects.

Key Responsibilities Include:

- Assist with road maintenance such as paving, patching, sealing, and raking asphalt; install/repair guardrails, culverts, and drainage structures.
- Cut, trim, and chip trees/brush; mow grass and maintain rights-of-way.
- Direct traffic using flags/paddles and perform pre-trip equipment inspections.
- Perform basic labor duties as required.
- Prepare and submit legible, accurate and timely work-related records.
- Learn to operate dump trucks with snowplows, skid steers, backhoes, chippers, and various power tools.
- Serve as "On-Call" personnel for weather emergencies (snow/ice) or other roadway hazards.
- Performs other related duties as required.

Qualifications:

- Must be 18+ with a High School Diploma or GED.
- Valid Ohio Driver's License.
- Must possess or have the ability to obtain a Class A or B CDL within 6 months of hire.
- Must live within a 36-minute commute of our Bellefontaine office and be available to work irregular hours (nights/weekends) during weather emergencies.
- Must be able to lift 50–100 lbs. and work on uneven terrain.
- Must pass a background check, drug screen, and license verification.
- Must be fluent in English (speaking, reading, and writing).

A complete formal job description is available upon request at the Engineer's Office.
