[House Bill No. 105].

AN ACT

To amend an act entitled an act to straighten the boundary line between Anglaize and Logan counties, passed February 3, 1887.

SECTION 1. *Be it enacted by the General Assembly of the State of Ohio,* That the boundary line between Anglaize and Logan counties be changed so as to run parallel with section lines instead of angling across them as it now does; that said line be located as follows, to-wit: commencing at the northeast corner of Shelby county, being the quarter corner to sections twenty-five and thirty-six, town six south, range seven east, and running thence east to the southeast corner of said section twenty-five, town six south, range seven east; thence north along the range line three and a half miles to the west corner of section seven, town six south, range eight east; thence east along the quarter section line through sections seven, eight, nine, ten and fractional eleven, town six south, range eight east, to the west line of Valentine Peers, Virginia military survey,

No. 12,276, original quantity 2,666 $\frac{1}{2}$ acres; thence parallel to the south line of said survey No. 12,276 to the Hardin county line; thence south along said Hardin county line to the southwest corner of said Hardin county.

SECTION 2. The proposition to change the county lines of said counties as above provided, shall be submitted to the qualified electors of said counties at the next annual election, to be held on the first Tuesday of November, 1888. Those who are in favor of the change will indorse on their ballots, "Change of county line—Yes." Those who are opposed will indorse on their ballots, "Change of county line—No." If a majority of all the votes cast in each county shall be in favor of changing the county lines, then the boundaries of said counties shall hereafter be established as in section one of this act, and the lands changed hereby shall be transferred to the duplicate of the county in which they may become situate.

SECTION 3. This act shall take effect and be in force from and after its passage.

NOAH H. ALBAUGH,

Speaker pro tem. of the House of Representatives.
WM. C. LYON,
President of the Senate.

Passed March 15, 1888.
