 Nowell survey
 Washington
 Sec 26 T6 R8

I hereby certify that this plat was made from field notes taken by me in making an official survey of the Leavitts Reservoir for the Ohio Canal Commission in 1892, and that the said plat is a true representation of the contour of the high water mark of said reservoir along the lands of Eli Nowell in Section 35, Town 6, Range 8 in Logan County Ohio; and that said plat is an accurate showing of the amount of said Nowell's lands lying in the N.W. 1/4 of the S.W. 1/4 and in the S.E. 1/4 of said Section.
